THANKS FOR YOUR INTEREST IN MARCO POLO KITCHEN CATERING!

This is just a quick note to say hi and share with you a few words about what drives us. Over the next few pages, we hope our passion for sensational food and commitment to delivering what our customers want jumps out at you. We've poured decades of experience and passion into designing a catering menu that is flexible, delicious, and memorable. Our approach to what we do can be summed up into four simple themes...

There is no substitute for excellent quality produce – we source all of our produce from local providers who share our values on excellence.

We strive for deliciousness in the most simple or complex offering. It has to taste great for it to leave our kitchen – from the Sausage, Egg and Hash breakfast bun found in our Breakfast Box to the House Pastrami Beef Sando for lunch, we curate and create chef-quality classics every day.

We are only as good as the customers we work with. If there's something that isn't right or alternatively, something that you love – please let us know. We live for feedback and our aim is to be a trusted partner in whatever event, meeting, or function we create with you.

We love a good party and we know that some celebrations call for drinks! Whether you're looking for bubbles, wine or beer we have you covered with our premium selection of alcoholic beverages.

In addition to the set menu found within this package, we can also fully design and manage your events and functions, from bespoke menu design (food and alcohol), hire equipment and staff, we can cover it all. Together we have decades of hospitality and event management experience, so please don't hesitate to reach out and chat to us about what you're after.

Kind Regards, The Marco Polo Team
